Special Monthly Topic (more details on back)

Join our event and learn how we can help get you back to doing what you love, living your best life. You will also have the opportunity to try a FREE sample of a Provox® HME or Adhesive!

Why should laryngectomees and caregivers attend?

- Meet with your local Atos representative to learn ways to maximize your pulmonary health (including reduced coughing and mucus production), ways to improve voice quality and how to speak hands-free, and how to get a better seal with your attachments
- Get assistance with insurance and reimbursement process
- Troubleshoot and see product samples
- Meet other members of the laryngectomy community

REGISTER NOW - Space is limited!
