## More About This Event

Learning to live well after a laryngectomy can be an adjustment for you and your loved ones. Join us to exchange support and advice with other members of the laryngectomy community. We invite you to share tips and practical knowledge on topics including:

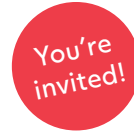

- Communication options
- Getting back to work or your favorite activity
- Reducing mucus and coughing to help improve sleep
- And so much more!

Plus, receive a complimentary, new informational tool, **Living Well After A Laryngectomy**.

Community events are a chance for patients and caregivers to socialize with each other, learn valuable tips, share experiences, have one-on-one time with your local rep or just have fun meeting new laryngectomee friends!

## Keep For Your Reference

**Friday  
October 4, 2019**

**10:30am – 11:30am**

LIJ Hearing and Speech Center  
Lower Level Conference Room  
430 Lakeville Road  
New Hyde Park, NY 11040

### Directions/Parking:

There is free parking at the facility. The meeting is located in the first small building on the left and the entrance is on Lakeville Road. If you are using a GPS, please use Lake Success as the city. If you need additional driving directions, please contact Andrea Jasinski, see contact information below.
