

Atos Medical agrees to accept Assignment on the products listed below. The Medicare beneficiary is responsible to pay 20% of the Medicare approved amount and any unmet deductible. Atos Medical will file an assigned claim to Medicare for these products as Medicare will pay 80% of the approved amount to Atos Medical. Atos Medical will accept the Medicare approved amount as payment in full on covered products. Patients with qualifying secondary insurance plans that cover the Medicare deductible and the 20% of the Medicare approved amount may not need to pay anything for assignment products at the time of the order.*

All other products available from Atos Medical, not listed below, are considered Non-Assignment and must be paid for, in full, at the time of order. Atos Medical will file a non-assigned claim for these products. Medicare will pay 80% of the approved amount on covered items directly to the beneficiary.

*Insurance coverage, payment, co-payments, deductibles and other restrictions vary depending on beneficiary's policy and medical need. Medicare may not cover products provided by Atos Medical while the beneficiary is in a hospital, at a skilled nursing facility or receiving hospice or home health care services. Some providers may have to order the products from Atos Medical and submit a claim to Medicare for reimbursement.
